These are three of the ministries that we will be serving during our Spring Break Trip. We want to encourage and bless them as much as possible! This is a list of their needs that we took off of their websites. We will be showing up with 2 vans loaded with teens ready to serve. Wouldn't it be AWESOME if our arms were loaded with things to leave with them!!

BE CREATIVE!! We don't expect you to go out and buy tons of things on this list. We know money is tight these days. But maybe you could use part of your tithe this month to help meet these needs. Involve your parents, grandparents, aunts & uncles, friends, and neighbors and ask them for donations. Don't wait until the last minute to do this. People are usually more than happy to help, but may need time to think and gather stuff. If donating used items, PLEASE make sure they are in GOOD condition. We don't want to give them junk.
