This will be DeSoto Youth Ministries 47th mission trip (#7 to Brazil). Through the years we have built great relationships with the leaders of A.B.E.C.A.R. (Christian camp), as well as, a local pastor and church family. Our primary mission for this trip will be to host English camps for children and teens at A.B.E.C.A.R. in Mogi das Cruzes. These camps are very popular as the local people love to learn English and all things American. It is a great opportunity to not only share our culture with them, but the Good News!
